Parent Newsletter ♥ February 2021

“Children obey your parents. Honor your father and mother,
which is the first commandment with promise.” Ephesians 6:1-2

Dear Families,

It's hard to believe, but February is already here. We thank God for all of your smiles and the kind words you share with us each and every day. They do not go unnoticed and truly touch and bless our hearts. We count it a blessing to have such wonderful parents and children.

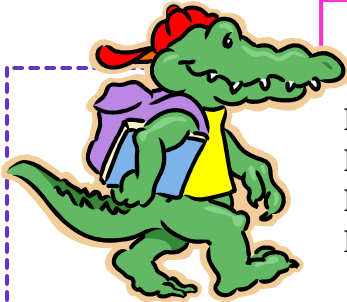

February is the month of love. We will be looking at God's love for us and how that translates into love for each other. If your child brings Valentines for the class, please write only who the cards are from, NOT who they are for. We will be exchanging cards during our Valentine's Day party on February 14th.

Please remember that all personal toys need to stay at home. We don't want them getting lost or broken from being in the classroom.

As always, please feel free to talk with me about any questions, concerns or ideas you may have.

May The Lord Bless and Keep You, Teacher Beverly
