## January 2020 Parent Newsletter

Verse of the Month: "Cast your cares upon Him for He cares for you." 1 Peter 5:7

Dear Parents,

Happy New Year! We hope you and your family shared a wonderful holiday season together. Thank you to everyone for all of the wonderful gifts we received. Also, thank you to all the parents who volunteered their time to make special projects for the TK class. We hope to see more parents volunteer in 2020!!

January will be filled with lots of learning. We will be busy making projects in observation of Dr. King's birthday, as well as learning about different winter animals and various things we wear in winter. We are delighted to share with you that your children are doing well. Please continue working with your child and keep up the good work!

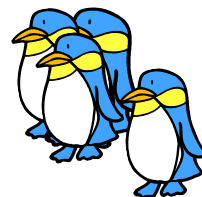

The student evaluations will be done January 6 & 7. Please be sure that your child is in class so that we can complete their evaluations.

We are looking forward to a great year filled with growth, fun and learning.

God bless, Ms. Blenda Yung, Head Teacher
