Verse of the Month: "Cast your cares upon Him for He cares for you." 1 Peter 5:7

Dear Families,

Welcome back and Happy New Year to you all! I trust you had a rejuvenating "break." It is so exciting to see the children again – they've grown so much even in just a short time.

Prior to Christmas, we worked on identifying letters of the alphabet and prewriting skills (holding a crayon, tracing different types of lines and shapes...) and now we will be taking these skills to the next level. We will be introducing the "letter of the week". Coloring, scribble scrabble, or "writing" (it doesn't need to actually be letters) are all great ways to develop the eye-hand coordination and muscle strength needed for writing.

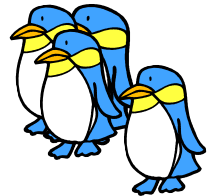

The Lord Bless and Keep you in this New Year.

In His Service,
Teacher Beverly
